It is the versatility of the Studio Auto Clam Junior Press that makes this machine so popular.

The automatic release mechanism will ease the production flow for the customer with high volume, whilst the clam action design of the machine will appeal to customers with low to medium volume production too!

The machine has an easy to use microprocessor controller for time and temperature accuracy, together with fingertip pressure control.

• Supplied table: 40 cm x 40 cm (15.75 in x 15.75 in) - Part No. ASACL15/40.

- Wide opening area clam action.
- Self adhesive silicone base pad.
- Fingertip pressure control.
- Manufactured and tested to comply with EC safety regulations. CE labelled.
- 12 month warranty on machine.
- Full service/ spares support.

Specifications

- Manual supplied illustrates electrical wiring diagrams, exploded diagram and parts list. Full safety instructions.
- Thermal cut out on the heating element shuts off power to the elements if the temperature exceeds 218°C +/- 15°C (425°F +/- 27°F).

Power consumption	1750 Watts
Power supply	230 Volts AC
Maximum working temperature	218°C
Display timer range	0 - 9999 sec
Machine height open	87 cm
Machine height closed	43 cm
Machine width	40 cm
Machine depth	67 cm
Weight export packed	39.5 Kg
Size export packed	77(L) x 52(W) x 49 cm(H)
Net weight	35 Kg
Press pad dimensions	40 x 40 cm
Fuse	13 A (3 pin plug only)

Digital Controls

Our specially designed microprocessor controllers give accuracy for time and temperature settings, vital with todays heat transfers.

HEAT PLATES SILICONE PADS

Heat Plates - Silicone Pads

All heat plates are covered with a protective TEFLON® coating and many are made of cast aluminium (cast aluminium heat plates carry a life-time warranty). Quality silicone rubber base pads are used to provide excellent transfer results every time.

APPEARANCE

Appearance

To maintain the good appearance of the press all cast frames are powder coated. This proven baking system will protect the machine from discolouration and minor knocks and scratches.

Operators Manual

Full specification and operating instructions on all aspects of the machines, electrical diagrams, exploded diagrams and parts list are included with every machine.

Service - Parts

You can always speak directly to our service department technicians for any technical support or information. We also carry spare parts for all of our machine range.

Accessories

We offer a range of detachable tables for various other operations requiring special sized platerns for example, umbrellas, bags etc.

Contact

We are always here to help.

Quality Engineering & Safety

Each press is individually hand-built. All ADKINS machines are built to the highest standards, we use only the best quality components, they are all tested to comply with the various safety regulations from around the world.
