

## **Technical Support**

## How to change an on/ off rocker switch

## STUDIO AUTO CLAM SENIOR/JUNIOR PRESS

## Replacement/ removal of an on/ off rocker switch

- **N.B.** Before undertaking any work, switch off the power supply to the machine and unplug the machine from the electricity supply
- **1.** Separate electrical box by unscrewing 4 screws (pic 1 & inset)
- **2.** Lift the top half of electrical box upwards and pivot towards front of press (pic 2)
- 3. Slide on/ off rocker switch out of electrical box (pic 3)
- **4.** Remove on/ off rocker switch wires (pic 4), taking note of the connections for future reference when reinstalling

1. Installation is a reversal of removal
